

Supreme Court of the United States

Memorandum

June _____, 1912

Bell,

I will be ~~at~~ -aboard!

At lunch, to-day, Father & I
pressed his outrage at the
high handed way things are
going, particularly the assumption
that a single Justice of S's can
order things his own way,
that he can hood up ~~the~~ more
anything he chooses, since if
the rest of us are ready to
bring down A-3's for example.

Supreme Court of the United States

Memorandum

_____, 19____

We also told me he will not
vote to overrule ~~Woods~~, ~~Pruss~~ etc
etc & recants S's confidence
that he has Powell & Behar must
in his pocket, Father, who is
to make an error of these
things - maybe you will
lay this option in

(From Justice
Brewer)
