

Supreme Court of the United States

Memorandum

June _____, 1912

Bell,

I will be ~~at~~ -aboard!

At lunch to-day, facts re-
ferred to ~~the~~ outrage at the
high handed way things are
going, particularly the assumption
that a single Justice of S's can
order things his own way, &
that he can hood up ~~the~~ more
anything he chooses, since if
the rest of us are ready to
bring down A-3's for example.

Supreme Court of the United States

Memorandum

_____, 19____

We also told me he will not
vote to overrule ~~the~~ ~~the~~ ~~the~~ ~~the~~
etc. & recants S's confidence
that he has Powell's behavior
in his pocket, facts, which
to make an error of these
things - maybe you will
lay this option on

Brennan)
